Mutual Customer Information

Tenant/Resident Name: _____

Service Address: _____ Unit Number: _____

City, State, Zip Code: _____

Acknowledgements

The above named mutual customer has requested the installation of internet/phone/television services at the address listed above.

Know that the service agreement is between the tenant and North Coast Wireless Communications. The mutual customer listed above is solely and wholly responsible for any and all financial obligations related to the service and installation.

Know that installation requires equipment to be installed on the exterior (roof/wall) of the structure/building and inside the dwelling. Installation will require the drilling of holes for the purpose of mounting equipment and running cable into the dwelling.

Know that all equipment is and will remain the property of North Coast Wireless Communications. Upon termination of services a representative of North Coast Wireless Communications will remove and retrieve said equipment.

Consent and Authorization

I represent that I own or manage the property located at the above mentioned address. I hereby grant permission to the above listed tenant for services from North Coast Wireless Communications and allow the installation of the equipment necessary to receive such service on my property.

I further grant permission to North Coast Wireless Communications to access the property as is necessary for the operation, maintenance, or removal of equipment and related services.
